Having 5 exams in one course is too much and very overwhelming.

Professor Townsend set clear expectations and was always available to give extra help when needed.

Be more specific and explain the assignments.

21. If you have additional comments or suggestions regarding the learning environment in this course, please share them here:

Professor Townsend made a class that I would typically not be a fan of into an engaging and comfortable course. Professor Townsend was extremely prepared and supportive throughout the whole semester sending multiple emails weekly of expectations,tips and reminders. I feel that I was given a very fair chance of determining my fate with this course.

Professor Townsend is one of the best instructors I have had for an online class. He was always available to help and genuinely wanted everyone to understand the material and succeed in the course.
